I recommend that the library subscribes to **Contemporary Nurse** (ISSN 1037-6178) for the following reasons:

- I have evaluated the content of this journal and can confirm that the high quality of the articles will be of significant benefit to faculty and students in teaching and research.
- The journal has core content which is central to the research and teaching interests of my department.
- I am an author / member of the editorial board and as such will be using it regularly for research, article submission and as a teaching aid.
- I will be using this journal for my student course packs and reading lists.
- I will be using this journal for my own research and scholarship.
- I have noted the journal is frequently cited and is therefore a critical acquisition for our collection in this subject area.
